# C6

## Sarin and Sulfur Mustard Environmental Decontamination

- Soil Shredding, Washing and Replacement
- Soil Vapor Extraction (SVE)
- Nano- and Phyto-Remediation
- 71,000ppb to 330ppb within 16 days
- Vegetation growth in 33 days

# C6

## CBRNE Emergency Response Teams

- Federally Contracted Assets
- Cover 1,300 miles of the Southern US Border
- Billions of Dollars of Seized Illicit Narcotics
- Concealed Trap Extraction
  - Methamphetamines
  - Cocaine
  - Fentanyl
  - Car-Fentanyl
  - Marijuana
  - Heroin
- Dallas Ebola Crisis – ICS and Hot Zone Operations
- 500-Year Flood Event in Sonora, TX
- Bonham, TX Chemical Explosion

# WMD Clandestine Laboratory Site Safety Officer Certification Course

- Approved for Constructive Credit
- Precursor Manufacturing Hazard Identification and Awareness
- Thousands of Attendees
  - US Army
  - US Air Force
  - US Marine Corps
  - US Navy
  - Federal Law Enforcement
  - Fire and Police Departments
  - USA Allied Forces
- End-Product Manufacturing
- WMD Chemistry with Exam
- Incident Command and Site Safety

# History of Collective Capabilities

## WMD Environmental Remediation

- CBRNE Veterans Working Roadside Remediation
- Began Work with Environmental Chemists to Explore Soil Shredding and Tactical Placement of Decontaminants
- Process Currently Used Around the World
- Requires Hazard Identification, Scientific Reachback, Heavy Equipment and HAZMAT Technicians

## CBRNE Emergency Response Teams

- First Began Work Under DHS-USCBP Contract as WTD
- Two Checkpoints Grew Into Multiple Sectors with Dozens of Land Bridges over 1,300 miles
- CBRNE Technicians Required to Respond, Identify, Extract, Provide Evidentiary Sampling and Prosecutorial Reporting
- Assigned to Ebola Governor Task Forces in Multiple States

## Clandestine Laboratory Site Safety Certification

- Filled a Need for Detailed Awareness, Operations and Technician Level Training
- Designed for Hostile Threat Mitigation and CBRNE Response/Incident Command Forces
- Course Material Written and Approved Based on Real-World Response Experience

## CharlieSix History

- Began as Watchtower Defense in 2011 before a 2023 transition to CharlieSix – a Service-Disabled Veteran-Owned Small Business
- Conducts CBRNE Emergency Response, Remediation and Training Worldwide
- Supports Private Industry and Government Agencies
